### **ASSISTED SELF-MARSHALLING**

- Heats will be conducted in order of fastest to slowest.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat, and lane they will be swimming in from the published program.
- There will also be copies of the program posted in the Marshalling area and available on meet mobile.
- Swimmers will report to the chairs behind the blocks, for their event preferably via the marshalling area, as per the following process. The fastest heats will report first to avoid congestion and ensure social distancing, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks
  - four (4) heats prior to their heat for 50m, 100m and 200m events.
- There will be chairs behind the timekeepers at the start end
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to Technical Officials. Swimmers are expected to be at the chair ready for the whistles to start their heat.
- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck.
- We will have some Clerks of Course (Technical Officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.

**MEET MOBILE: We will endeavour to have Meet Mobile operational for this meet dependent on satisfactory internet access. All users should be aware that Meet Mobile publishes unverified raw data which cannot be relied upon until the official results have been processed and published.**
