### ASSISTED SELF-MARSHALLING

- Heats will be conducted in order of fastest to slowest.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on pool deck when requested by the swimmer. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat, and lane they will be swimming in from the published program.
- There will also be copies of the program posted in the Marshalling area and available on meet mobile.
- Swimmers will report to the chairs behind the blocks, for their event preferably via the marshalling area, as per the following process. The fastest heats will report first to avoid congestion, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks Six (6) heats prior to their heat for 50m and 100m events and 200m events.
- There will be chairs behind the timekeepers at the start end.
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to Technical Officials. Swimmers are expected to be at the chair ready for the whistles to start their heat.
- We will have some Clerks of Course in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.
- Athletes - Please do not attend marshalling until your event is listed on the marshalling board.

To assist in this process, we recommend swimmers arrive to the event prepared with the following information they will need for self-marshalling:

- Event number/s
- Heat number/s
- Lane number/s

It is also a good idea for swimmers to write all event/heat/lane numbers on their arm, in that order.
